Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

39 March 13, 2012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ACCEPT GRANT FUNDS FROM THE UNITED STATES DEPARTMENT OF JUSTICE,
OFFICE OF COMMUNITY ORIENTED POLICING SERVICES FOR AN
EDUCATION-BASED DISCIPLINE PROGRAM
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Request acceptance of Community Policing Development Program (CPD) grant funds in the amount of \$100,000 from the United States Department of Justice, Office of Community Oriented Policing Services (COPS) related to the Los Angeles County Sheriff's Department (Department) Education-Based Discipline Program (EBD).

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Sheriff as an agent of Los Angeles County (County) to accept 2011 CPD grant funds in the amount of \$100,000 without a required match from COPS for the Innovative Officer Accountability Model (IOAM) project for the grant period from September 1, 2011, through August 31, 2013.
2. Approve and instruct the Chairman of the Board to execute and provide a wet signature on the attached COPS Cooperative Agreement Number 2011CKWXK032 (Agreement) for the grant period from September 1, 2011, through August 31, 2013.
3. Delegate authority to the Sheriff to execute and submit all grant documents, including applications, amendments, modifications, extensions, and renewals necessary to effectuate the grant.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On May 1, 2009, the Department launched EBD as an alternative to traditional disciplinary suspensions. EBD is a progressive disciplinary program that ensures employee accountability and development of a tailored remedial plan designed to lessen the likelihood of recurring offenses. EBD provides an option for employees to voluntarily participate in an individualized remedial plan that emphasizes education, training, and other creative interventions that promote a successful outcome.

Utilizing this CPD grant funding for the IOAM project, the Department's Regional Community Policing Institute (RCPI) will deliver EBD nationwide in the form of informational briefings, informational videos, technical assistance guides, and model courses provided to law enforcement professionals, relevant stakeholders, County managers, police union leaders, police oversight members, and police psychologists. The goals of this project are to increase awareness of EBD and to increase the skills and/or abilities of those wanting to institutionalize EBD within their own agencies.

Implementation of Strategic Plan Goals

This program is consistent with the County's Strategic Plan: Goal 1, Operational Effectiveness; Goal 2, Children, Family, and Adult Well-Being; and Goal 5, Public Safety, by effectively and efficiently providing public service, strengthening the safety and well-being of the community, and initiating and implementing violence reduction initiatives to provide a safer environment for residents through collaborative efforts across County clusters and with our community partners.

FISCAL IMPACT/FINANCING

Fiscal Year (FY) 2011-12 will be funded in the amount of \$100,000. Funds will be used for travel/training in the amount of \$80,034; \$10,719 for overtime and Workers' Compensation; and \$9,247 for Services and Supplies. There is no match required for this program. Any unspent funds from FY 2011-12 will be included in the Department's FY 2012-13 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The term of the Agreement is two years from September 1, 2011, to August 31, 2013, in a total grant award amount of \$100,000.

The Agreement requires that the Department deliver EBD nationwide in the form of informational briefings, informational videos, technical assistance guides, and model courses provided to law enforcement professionals, relevant stakeholders, and individuals. Due to the late execution of this Agreement, COPS will execute a future modification that revises the deliverable dates currently set forth in the Agreement.

The Agreement contains a supplanting requirement that mandates funds are not to be used to replace State or local funds that would, in the absence of Federal aid, be made available for funding purposes.

This Board letter and the Agreement have been reviewed by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will not be an impact on the District Attorney's Office, Public Defender's Office, or Alternate Public Defender's Office.

CONCLUSION

Upon Board approval, please instruct the Executive Office to return the original signed Agreement to the Department's Grants Unit.

Sincerely,

LEROY D. BACA
Sheriff

2011 Community Policing Development Terms and Conditions

By signing the Award Document to accept this Community Policing Development (CPD) award, your agency agrees to abide by the following award terms and conditions:

1. Award Owner's Manual: The awardee agrees to comply with the terms and conditions in the 2011 COPS Community Policing Development Program Award Owner's Manual; COPS statute (42 U.S.C. §. 3796dd et seq.); 28 C.F.R. Part 66 or 28 C.F.R. Part 70 as applicable (governing administrative requirements for grants and cooperative agreements); 2 C.F.R. Part 225 (OMB Circular A-87), 2 C.F.R. Part 220 (OMB Circular A-21), 2 C.F.R. Part 230 (OMB Circular A-122) and 48 C.F.R. Part 31.000 et seq. (FAR 31.2) as applicable (governing cost principles); OMB Circular A-133 (governing audits); representations made in the Community Policing Development Program grant application; the Cooperative Agreement; and all other applicable program requirements, laws, orders, regulations, or circulars.

2. Assurances and Certifications: The awardee acknowledges its agreement to comply with the Assurances and Certifications forms that were signed as part of its Community Policing Development Program application and any updated Assurances and Certifications forms included in your agency's award package.

3. Allowable Costs: The funding under this project is for the payment of approved costs for Community Policing Development purposes. The allowable costs for which your agency's award has been approved are limited to those listed on the Financial Clearance Memorandum, which is included in your agency's award package.

The Financial Clearance Memorandum specifies the costs that your agency is allowed to fund with your Community Policing Development award. It also describes any costs which have been disallowed after review of your proposed budget. **Your agency may not use Community Policing Development award funds for any costs that are not identified as allowable in the Financial Clearance Memorandum.**

4. Travel Costs: Travel costs for transportation, lodging and subsistence, and related items are allowable under the Community Policing Development Program with prior approval from the COPS Office. Payment for allowable travel costs will be in accordance with 2 C.F.R. Part 225 (OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments), 2 C.F.R. Part 220 (OMB Circular A-21, Cost Principles for Educational Institutions), 2 C.F.R. Part 230 (OMB Circular A-122, Cost Principles for Non-Profit Organizations), and 48 C.F.R. Part 31.000, et seq. (FAR-31.2, Cost Principles for Commercial Organizations), as applicable.

5. Supplementing, Not Supplanting: State, local, and tribal governments awardees must use Community Policing Development funds to supplement, and not supplant, state, local, or Bureau of Indian Affairs (BIA) funds that are already committed or otherwise would have been committed for award purposes (hiring, training, purchases, and/or activities) during the grant period. In other words, state, local, and tribal government awardees may not use COPS funds to supplant (replace) state, local, or BIA funds that would have been dedicated to the COPS-funded item(s) in the absence of the COPS grant.

6. Extensions: Your agency may request an extension of the grant award period to receive additional time to implement your grant program. Such extensions do not provide additional funding. Only those awardees that can provide a reasonable justification for delays will be granted no-cost extensions. **Extension requests must be received prior to the end date of the award.**

7. Modifications: Occasionally, a change in an agency's fiscal or law enforcement situation necessitates a change in its Community Policing Development award. Award modifications under the Community Policing Development Program are evaluated on a case-by-case basis. All modification requests involving the purchase of new budget items must be approved, in writing, by the COPS Office prior to their purchase or implementation. In addition, please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

8. Evaluations: The COPS Office may conduct monitoring or sponsor national evaluations of the COPS Community Policing Development Program. The awardee agrees to cooperate with the monitors and evaluators.

9. Reports: To assist the COPS Office in the monitoring of your award, your agency will be responsible for submitting periodic programmatic progress reports and quarterly financial reports.

10. Grant Monitoring Activities: Federal law requires that awardees receiving federal funding from the COPS Office must be monitored to ensure compliance with their grant conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of grant implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Community Policing Development awardee, you agree to cooperate with and respond to any requests for information pertaining to your grant.

11. Equal Employment Opportunity Plan (EEOP): All recipients of funding from the COPS Office must comply with the federal regulations pertaining to the development and implementation of an Equal Employment Opportunity Plan (28 C.F.R. Part 42 subpart E).

Cooperative Agreement 2011CKWXK032

Los Angeles County Sheriff's Department

I. Statement of Authority

This Cooperative Agreement between the Los Angeles County Sheriff's Department "the Awardee," and the U.S. Department of Justice Office of Community Oriented Policing Services (COPS Office), is hereby entered into under the authority of 42 USC Section 3796dd et seq. The purposes of this Cooperative Agreement are described below.

II. Statement of Background and Purpose

BACKGROUND:

Law enforcement executives have recognized that quality training enhances quality service to the public. However, the law enforcement employee discipline system does not reflect this. Missing in the discipline process is training and/or re-training focused on changing the behavior and/or decision making process that resulted in the discipline, lessening the likelihood of recurring offenses. Focusing on punitive punishment does not increase the level of community service, does not increase the level of the employee's performance and does not remediate the employee.

All law enforcement managers and supervisors are confronted with deciding how to effectively handle employee performance issues as they surface through the various administrative processes of their agencies. The response to performance issues usually comes in the form of a traditional disciplinary determination that requires a wide range of punishment. On May 1, 2009, the Los Angeles County Sheriff's Department launched the Education-Based Discipline (EBD) program as an alternative to traditional disciplinary suspensions. EBD provides an option for employees to voluntarily participate in an individualized remedial plan that emphasizes education, training, and other creative interventions which promote a successful outcome. EBD is offered to an employee who is facing a one to thirty day suspension as an alternative to an unpaid suspension. This alternative discipline cannot be utilized for demotions or discharges. Once EBD is proposed, the decision to participate in EBD rests solely with the employee who may opt not to participate in the EBD process. The employee retains all grievance rights including the right to accept a suspension. EBD is offered as an alternative to an unpaid suspension to employees facing a suspension. If an employee agrees to participate in EBD, the employee will agree to any combination of the following: attend classes, attend training, conduct briefings, author a research paper, or participate in an activity addressing the behavior

that resulted in the discipline.

One mandatory component for an employee choosing EBD is participation in an eight hour ethics based course. The Los Angeles County Sheriff's Department has titled this class, LIFE (Lieutenants Interactive Forum for Education (LIFE)). The LIFE class is the foundational course for EBD. LIFE is an eight hour class facilitated by lieutenants and professional staff middle managers from throughout the LASD. The learning objective of this class is to provide students (all ranks, sworn and non-sworn) with an understanding of the factors that contribute to effective and ineffective decisions. In addition to the eight-hour Ethics class, every participant involved in the program will have an education and training program specifically designed for them. The education and training program focuses on problem-solving and self-management; skill enhancement; boundary recognition; substance misuse/abuse awareness; character reinforcement; and mitigating and aggravating factors.

EBD is a progressive disciplinary program that ensures accountability but also causes development of a tailored remedial plan designed to lessen the likelihood of recurring offenses. The employee's changed behavior will advance community policing, agency effectiveness, and employee morale. The EBD program outcome will increase the capacity of managers and supervisors in law enforcement agencies nationwide to promote organizational legitimacy through transparent and values-based practices. This innovative project will complement the existing Ethics and Integrity initiatives, i.e., Boston Police Department Enhancing Cultures of Integrity (2003-HS-HX-0006). The BPD project focused on enhancing accountability and the culture of integrity that focuses on increasing the core operational processes such as intelligence collection and citizen compliant review processes. The EBD project expands the community policing effort by focusing on improving the employee's performance which will ultimately benefit the community.

PRIMARY OBJECTIVE:

The EBD program will advance the practice of community policing in law enforcement nationwide and complement the Boston Police Department (BPD), Enhancing Cultures of Integrity Initiative, (2003-HS-WX-0006). The below goals will be accomplished:

GOAL 1: Increase the number of agencies/individuals who are aware of the Education-Based Discipline Program.

- Objective 1.1: Deliver half-day EBD informational briefings to law enforcement professionals, and relevant stakeholders, i.e. city/county managers, police union leaders, police oversight members, police psychologists, etc. Eight (4 hour) trainings, to be completed in four days, will be provided nationally.
- Objective 1.2: Create a brief EBD informational video.
- Objective 1.3: Develop an electronic EBD Technical Assistance Guide which will contain all resources pertaining to the EBD program, the LIFE class, and other courses offered to EBD

participants.

GOAL 2: Increase the skills and/or abilities of law enforcement agencies, relevant stakeholders, and/or individuals wanting to institutionalize EBD within their agencies.

- Objective 2.1: Deliver one Ethics Class (modeled after the LIFE Class) train-the-trainer (16 hours) course to train 10 new instructors throughout the nation (class to be conducted in South Carolina or California).
- Objective 2.2 Deliver Ethics Classes (LIFE) (8-hour) . We propose to deliver 6 of these trainings regionally throughout the nation.
- Objective 2.3: Deliver one Leadership Institute (modeled after the DLI) train the trainer (24 hours) course to train 10 new instructors with the Leadership Institute course throughout the nation (classes to be conducted in South Carolina or California).
- Objective 2.4: Deliver Leadership Institute (16-hour) classes. Six trainings will be delivered regionally throughout the nation.

Overall Comments:

All costs listed in this budget were programmatically approved based on the final Budget Detail Worksheets submitted by your agency to the COPS Office. Maintenance agreements (if applicable) must be purchased and paid in full within the award period. Prior to the obligation, expenditure or drawdown of grant funds for non-competitive contracts in excess of \$100,000, grantee must submit a sole source justification to the COPS Office for review and approval. Prior to the obligation, expenditure, or drawdown of grant funds for consultant fees in excess of \$550 per day when the consultant is hired through a noncompetitive bidding process, approval must be obtained from the COPS Office. If the vendor number on this form differs from the EIN number included in your application, then for administrative purposes only, we are assigning a different vendor number to your agency. The reason for this administrative change is that your original EIN number has been assigned to another agency. If this applies to your agency, please use the new vendor number on all financial documents related to this grant award. The vendor number should not be used for IRS purposes and only applies to this grant.
